

## Meet Our On-The-Water Staff

Here is a list of some of the wonderful people who help us keep *Northwest Boat Travel*® Printed Guide and Website accurate and up-to-date. Together, they put in thousands of hours visiting sites, collecting information, taking pictures, and making suggestions. They include avid boaters, facility owners, government officials, Chambers of Commerce Directors, and representatives of private organizations. Our hats are off to each and every one of our *Northwest Boat Travel*® Contributing Editors. Want to join our on-the-water staff? Email [kathy@vernonpublications.com](mailto:kathy@vernonpublications.com).
